DAY OF ATONEMENT

When I needed love You were there
When I needed comfort You were there
When I needed grace You came to take my place
On the Day the Day of Atonement
oh oh

When there was no one You were there
When I was broken You were there
When I needed grace You came to take my place
On the Day the Day of Atonement
oh oh

I believe in the ransom paid
I believe in the redemption made
I believe in the life You gave ya
I believe in the Lamb that was slain

I needed grace You came to take my place
On the day the day the Day of Atonement
The Day of Atonement.
The day the day the Day of Atonement

A Ransom Paid Redemption Made
You are the Day of Atonement
A Ransom Paid Redemption Made
You are the Day of Atonement

SACRIFICE

You left the 99 to run after me when I was blind
You gave everything left all behind poured out your blood
What a Sacrifice
What a Sacrifice
What a Sacrifice

You came to dwell with us the Lamb of God the Passover
With stripes and nails You gave Your life
Unending Love what a sacrifice
What a Sacrifice
What a Sacrifice

All the tears you shed with blood stained hands
All the bitterness and sin of man
Redemption came with a cup of praise
I will remember what you did that day

What a Sacrifice
What a Sacrifice

I will remember the Sacrifice
I will remember the Sacrifice

VOICE OF THE DOVE

You call my name whisper in my ear everything I need to hear
Like a mother holds her child You draw near to me through every trial
whispering perfect peace the voice of the Dove

I hear the voice
The voice of the Dove
I hear the voice calling me
Shifting my heart in the presence of Love oh
You're flying over me

Your presence comes You draw me near everything I need is here
Like a mother holds her child You draw near to me through every hour
whispering perfect peace the voice of the Dove

I hear the voice
The voice of the Dove
I hear the voice calling me
Shifting my heart in the presence of Love oh
You're flying over me

Watching over me
Send the wind beneath Your wings

Like a mother holds her child You draw near to me through every trial
whispering perfect peace the voice of the Dove
I hear the voice oh
You're flying over me
