Passover Lamb

Oh how precious is the love that comes from Heaven above
Yeshua laid everything down the thorns He wore were His crown
You gave it all

You laid it down You gave your crown
So You could be a man
You gave Your life You paid the price
You're the Passover Passover Lamb
Yeah You're the Passover Lamb

Oh how precious is the blood that pardoned me for good.
Yeshua pierced gave His life Messiah paid the sacrifice
You gave it all

You laid it down You gave your crown
So You could be a man
You gave Your life You paid the price
You're the Passover Passover Lamb
Yeah You're the Passover Lamb

You gave everything to me so I could be Your bride forever and ever
You gave everything to me so I could be Your bride forever and ever
My Savior

You laid it down You gave your crown
So You could be a man
You gave Your life You paid the price
You're the Passover Passover Lamb
You gave it all You laid it down
You're the Passover Passover Lamb

King of the Universe

I look up in the sky and see Your everlasting Beauty
I walk along the shores and see waves of mercy waves of mercy
I sit in the rain and feel Your presence and Your truth revealed
Your creation longs for Your return, Your return

You bring forth the bread You bring forth the wine
Everything you touch is holy and divine

I sit in the cool of night, I listen for Your voice so quiet
I long to wait for Your word, for Your word
I sit on the sand and hear the ocean roar as you draw near
Your creation longs for Your return, Your return

You bring forth the bread You bring forth the wine
Everything you touch is holy and divine

You are my King my King
You are my King my King

I am thinking now about my life all the twists and turns You made it right
My Brother left something behind he sowed a seed that showed me life
That showed me life again

by David Liscum and Yochanan Marcellino

I finally found what I have been searching for reaching for
It's been there all the time right before my very eyes
And Now I know what I am living for hoping for
It's a New Life in you a New Life in you forever

I hear Your voice so close to me with perfect peace you say you say I call you friend
I know the truth I know the way I live for you my God everyday everyday.

I finally found what I have been searching for reaching for
It's been there all the time right before my very eyes
And Now I know what I am living for hoping for
It's a New Life in you a New Life in you forever

I finally found what I have been searching for reaching for
You made me strong again the tears are gone and wiped away
And I know the Love you have for me You died for me
It's a New Life in you New Life in you forever.

I know the truth I know the way I pray to you my God everyday Yeah everyday.

Rejoice

When trouble comes and trials rise I will look through your eyes
When problems seem like they never cease I will pray and get on my knees
I'm not from this world I'm not from this world.

Rejoice Rejoice Rejoice Rejoice I'll lift up my voice
Rejoice Rejoice Rejoice again I'll sing to you. Rejoice

When pressures of the world come in I'll keep my eyes on Him.
When sorrows touch my heart too much I'll worship you again.
I'm not from this world I'm not from this world

Rejoice Rejoice Rejoice Rejoice I'll lift up my voice
Rejoice Rejoice Rejoice again I'll sing to you. Rejoice
